This is a level two blockquote.

- 1. First item on the ordered list
- 2. Second item on the ordered list
- 3. Third item on the ordered list
- First item on the unordered list
- Second item on the unordered list
- Third item on the unordered list

Before a horizontal line

After horizontal line

Here comes a link: example-link.

Email: mail@example.com

Here comes Python code:

```
def add_integer(a: int, b: int) -> int:
return a + b
```

And here comes a Bash command:

curl -o thatpage.html http://www.example.com/

Here comes a table:

Column L	Column C	Column R
11	12	13
21	22	23
31	32	33

And a second table:

	B1	C1
$\overline{\mathbf{A2}}$	data 11	data 12
$\mathbf{A3}$	data 21	data 22
